# STEARATES

## Stearates Introduction

VASA'S Stearate Salts used as Lubricants, Antiadherents and Glidants are of crucial importance in manufacturing of finished dosage forms to avoid problems like punch filming, picking, sticking, capping and binding during formulation stages.

VASA's "Stearates" are manufactured in **RSPO approved dedicated plant** available in **IP/BP/EP/USP/ JP/FCC/E-Series** grades and customized surface area and particle size distribution to be used in the Pharmaceutical, Nutraceutical, Food and Beverage as well as the Personal Healthcare industries.

**Magnesium Stearate**

**Calcium Stearate**

**Zinc Stearate**

**Sodium Stearate**

**Aluminum Stearate**

- Acetates • Carbonates • Citrates • Gluconates
- Lactates • Malates • Oxides • SSG • MCC • CCS

# STEARATES

## Application

Products	Pharmaceutical			Nutraceutical		Food and Beverage		Personal Healthcare	
	Tablet	Capsule	Suppositories	Tablet	Capsule	Flavourings	Food Powder	Cream	Ointment
Magnesium Stearate	✓	✓		✓	✓	✓	✓		
Calcium Stearate	✓	✓		✓	✓	✓	✓		
Zinc Stearate			✓			✓	✓	✓	✓
Sodium Stearate			✓			✓	✓	✓	✓
Aluminum Stearate			✓					✓	✓

## Key Features

- Palm Source/Palm free source
- Fine Particle Size (200# and 325# passing)
- Specific Surface Area (0-12) m2
- Multicompendial
- Ultra-pure
- Low Heavy Metals
- EO Free
- Consistent Particle Size and excellent flowability
- Excellent Whiteness Index > 90%
- Dedicated Plant

## Regulatory and Technical Support

Our products are multicompendial – IP/BP/EP/USP/JP/FCC/E-Series complying ICHQ7, IPEC and EU guidelines

Products	Free of										
	DMF	TDP	Allergen	GMO	TSE/BSE	EO	Nitro-samine	Residual Solvent	Gluten	Pesticide	Genotoxic Impurities
Magnesium Stearate	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓
Calcium Stearate		✓	✓	✓	✓	✓	✓	✓	✓	✓	✓
Zinc Stearate		✓	✓	✓	✓	✓	✓	✓	✓	✓	✓
Sodium Stearate		✓	✓	✓	✓	✓	✓	✓	✓	✓	✓
Aluminum Stearate		✓	✓	✓	✓	✓	✓	✓	✓	✓	✓

Storage – Store in tightly closed containers, Shelf Life – 60 months

Our Standard Pack Size - HDPE Bags/Drums (25-50 kg) and Jumbo Bags

Our technical support team is able to offer individual customer solutions and documents as per industry application and end use of the product
